JOJO
BRAND

Diamond Core Drill Bits

Usage

For Drilling in Marble, Limestone, Sandstone, Granite, Concret.

Manufacturing

100% Segments are produced from latest machineries and technology from Germany in our Factory.

Features

- High production, fast drill and extended life with economical purpose
- Wet cutting and dry cutting. Water circulation around inside the drill bits helps lengthen the life of your drill bits and reduce creaking or bursting.
- The V nut in the foot enables a self-centering effect,
- Machine:- Drill machine or angle grinder
- Not to use on steel
